

REGION FIVE THANK YOU

On Behalf of the Region Five Show committee Thank You to all that helped to make the 2009 Region Five Experience a success. Without the supports of the Region Five affiliate organizations and the countless efforts of the committee people this show would not be possible. Although preliminary planning and advertising are organized by AQHA the remainder of the work rests entirely on the countless numbers of volunteers from Region Five affiliate organizations. These volunteers are not only responsible for the organization and production of the show they are also responsible for the financial outcome of the show.

The next time you see one of these people please extend a thank you for a job well done!
