

DQHA HORSEBACK RIDING/DRIVING PROGRAM

1. To participate in the DQHA Horseback Riding/Driving Program you must be a member of the Delaware Quarter Horse Association. An active membership must be maintained during the time that you accumulate hours.
2. There is a **one time** \$10.00 enrollment fee **per person**.
3. The horse you ride or drive in this program must be registered in the American Quarter Horse Association. You do not have to own the horse. You may accumulate hours in DQHA's program at the same time you are accumulating hours in the AQHA Horseback Riding Program, if you are enrolled in both.
4. The AQHA registered name and registration number of the horse must be on the log sheets.
5. You may ride more than one Quarter Horse. Separate log sheets must be kept for each horse.
6. All time logged is on a one-horse-one rider basis and is on the honor system. An accurate record of the time you actually spend riding or driving must be reported on your official DQHA Horseback Riding Program Log Sheets (copies of AQHA log sheets will be accepted). Your hours carry over from year to year as long as you maintain your DQHA membership.
7. The Delaware Quarter Horse Association will recognize achievement winners at its Annual Awards Banquet. The following levels will be recognized:

50 Hours – Certificate	250 Hours – Certificate	750 Hours – Gift Certificate
100 Hours -Certificate	500 Hours – Gift Certificate	1000 Hours- Plaque

All achievement levels will be listed in the DQHA Newsletter. In addition, 500, 750 and 1000-hour levels will be pictured with a short article. Higher awards will be determined as the program develops.

8. To enroll, complete the below form and return it to the coordinator with the appropriate fees. You'll receive your Official Log Sheets. These may be copied as needed. Enrollment in AQHA's Horseback Riding Program is not required, but is encouraged. Start earning State and National recognition for doing what you love, riding your Quarter Horse.
